

## Solo: Chorus 2X Verse

**Em**                    **G**                    **D**                    **Em**  
Where is your treasure?    Where is your heart?  
**Em**                    **G**                    **D**                    **Em**  
No matter where you look, they won't be far apart.  
**Em**                    **G**                    **D**                    **Em**  
Go find your treasure!    Go find your heart!  
**Em**                    **G**                    **D**                    **Em**  
No matter where you look, they won't be far apart.

## Solo: Chorus 2X

**E**                    **C**                    **D**                    **E**  
If you freely sell your things and give the money to the poor,  
**E**                    **C**                    **D**                    **E**  
when you reach your journey's end and stand at heaven's door.  
**A**                    **D**                    **C**                    **E**  
You'll find your treasure there because your heart is in the Lord,  
**E**                    **C**                    **D**                    **E**  
you'll find your treasure there because your heart is in the Lord...

**Em**                    **G Em**                    **G**                    **Em**  
Where you place your treasure there you'll find your heart (4X)

**Ending: Riff (single notes in Em) Chorus repeat...**
